

## Letter from the President,

As we start the summer things are beginning to warm up, and hopefully your business is as well. The summer is perfect for spending time with family and friends but it is also a great time to meet new people. The York County Chamber of Commerce offers many simple ways for you to do that. One way is our Business After Hours function, held the second Monday of every month from 5:30pm until 7:30pm. This a great opportunity to meet the chamber member who is hosting the event, learn more about that business, and meet many other members and visitors with which you might want to do business.

Another idea is to attend one of our members-only Networking Groups. The Upper county group meets on the first and third Tuesday of every month at the Lexington George Washington Inn from 8am to 9am. The Lower county group meets on the second and fourth Thursday of every month at the Peninsula Vineyard Christian Fellowship. For more information please contact Tim Meyer regarding the upper group at 757-342-4357 or Chuck Marcotte regarding the lower group at 757-595-4100 or send an email to [communications@yorkcountyvachamber.org](mailto:communications@yorkcountyvachamber.org) to be added to the reminder list.

Did you know that as a chamber member you can receive discounts on goods and services from other members? You can also attract additional business to your own company by offering a discount to other members of the chamber. This benefit is known as the Member-2-Member Discount Program. The program offers great deals and discounts by various chamber members to other chamber members and any member can offer discounts or take advantage of this program. To participate, contact Cindy Norge at 757-898-1922 or the Chamber office at 757-877-5920.

Finally, do you have aspirations to be a board of director of the chamber of commerce? If so, start by serving on a committee! Committee involvement is an ideal way to network with other area professionals and to give back to your business community. The chamber is currently looking for volunteers for several committees. Visit the Chamber's website at [www.yorkcountyc.org](http://www.yorkcountyc.org) or call to inquire for more information.

- Chuck
