VENDOR AND FOOD TRUCK REQUIREMENTS

Effective July 1, 2017, the Virginia Department of Health is now required to issue mobile food unit licenses in the form of a sticker that shall be prominently displayed on mobile food units. This change was enacted due to the passage of House Bill 1625 during the 2017 Virginia General Assembly legislative session.

In 2018 the Department of Housing and Community Development passed requirements for fire safety specific to mobile food establishments. You may find a handout to assist mobile food unit operators [here](#).

If you are not a mobile food unit and selling food to eat at the event, you will need temporary food event permit, see link below on how to apply.
